

INDIAN STARTUP NEWS

India's Growing Outreach Platform for Entrepreneurs

Purpose

Indian Startup News is a dedicated online media platform that covers the end-to-end coverage of the startup ecosystem. Our platform aims to provide comprehensive coverage of startups, from ideation to acceleration, and connect them with the right people to help them grow and succeed.

Problem

Limited visibility and inadequate access to crucial resources, including media coverage, funding from VCs, and support from incubators, pose significant growth challenges for startups.

Solution

1

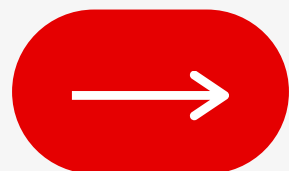

Incubate - Nurture Startups by providing Tools, Media Coverage and Services required for success.

2

Educate - Educate entrepreneurs essential courses, practical webinars and expert masterclasses.

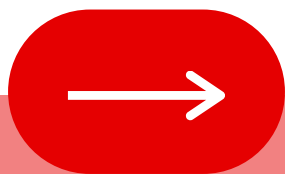

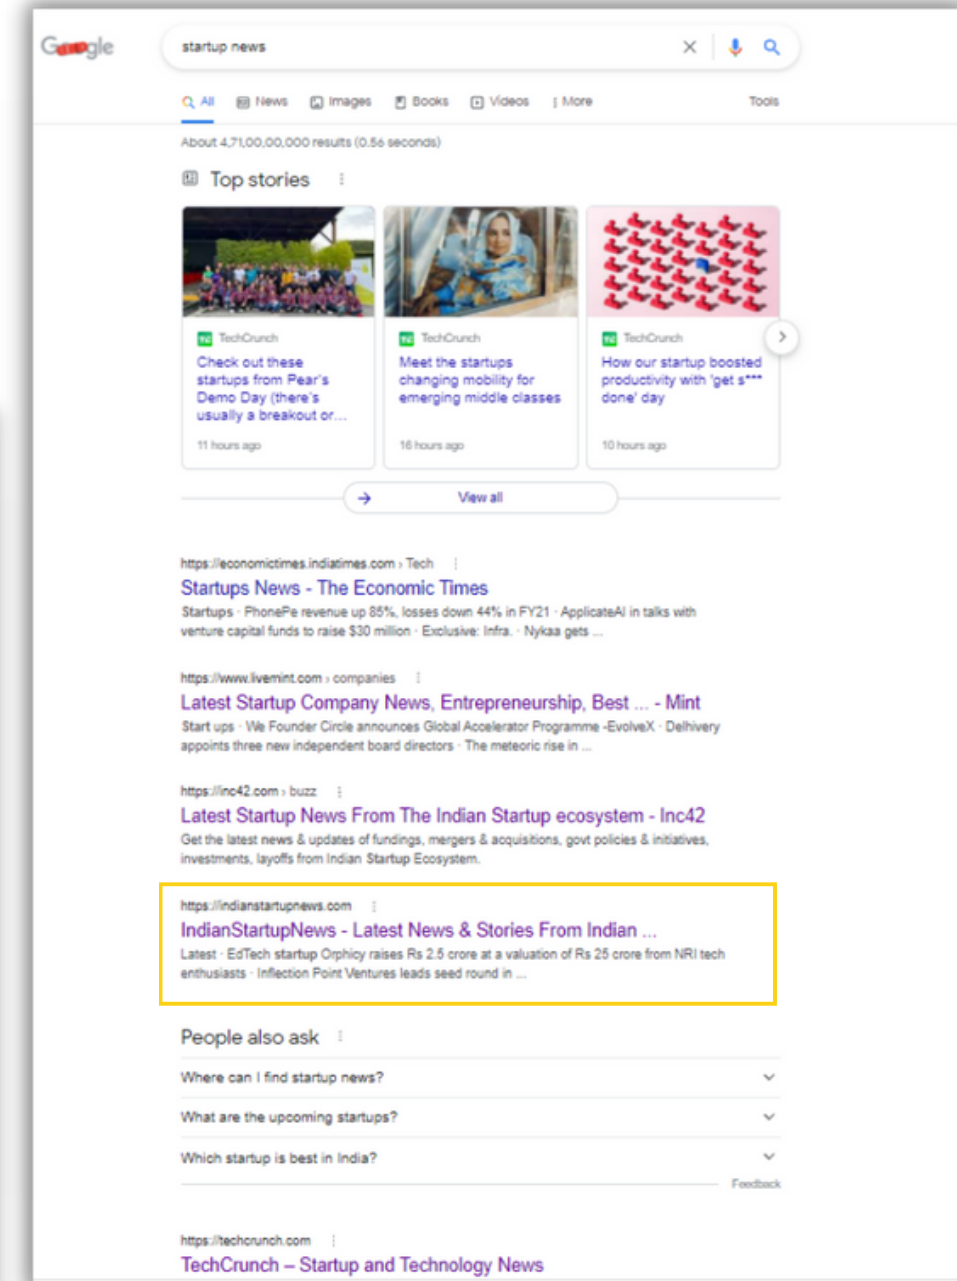

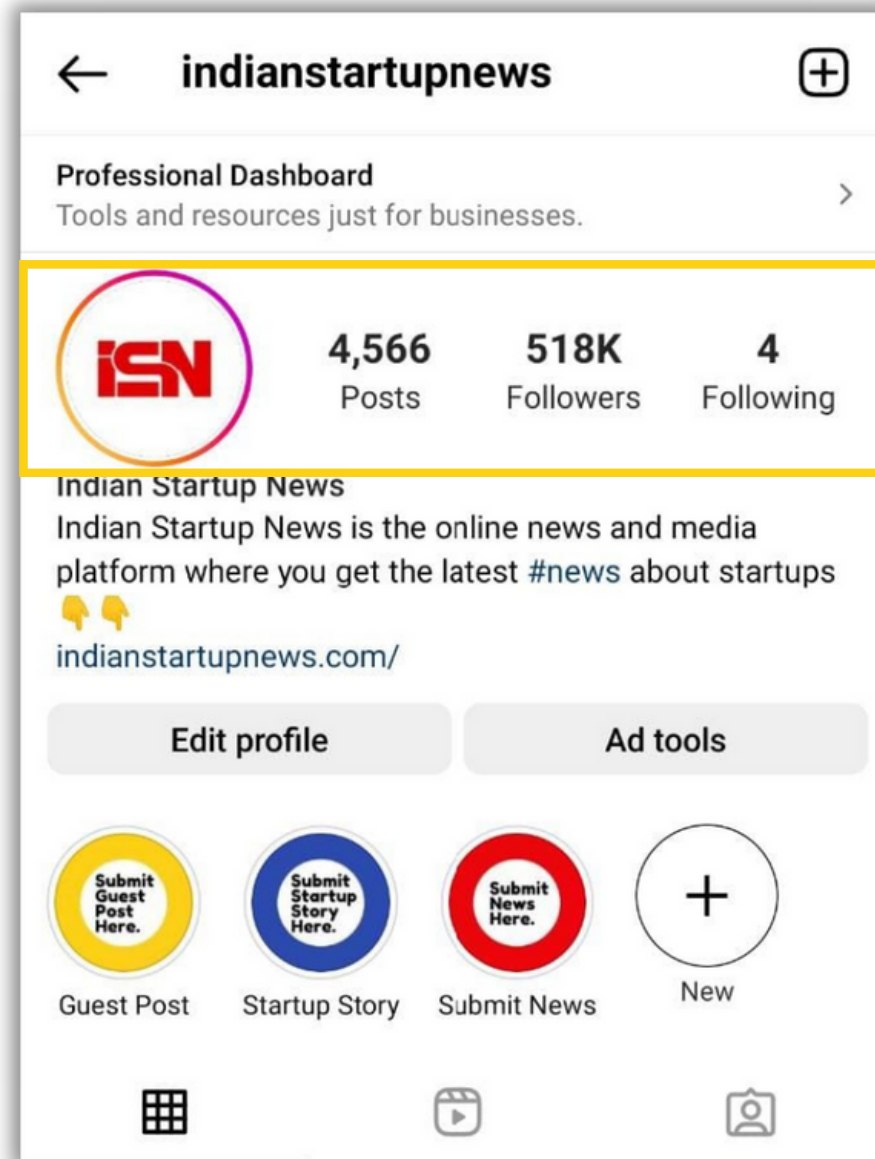

3

Connect - Enable networking of founders, VCs and industry pioneers to escalate growth.
